“Renée Cox: Roots Returned” at Cathouse Proper @ 524 Projects

Renee Cox's photograph *Yo Mama* from 1993 earned her a spot in the group show, titled “Bad Girls,” curated by the New Museum's visionary founder Marcia Tucker, making her debut in the New York art world. The work was originally conceived, though never realized, as one half of a diptych. Now decades later, the artist's intended work will finally come to light at Cathouse, with the union of *Yo Mama* and *David*.
